for Mr. U.Manogar
(for R1 to R3, R5 & R6)

Mr. C.Harsha Raj,
Government Counsel (for R7)

(through video conference)

Heard Mr. C.Munusamy, Learned Counsel for the Petitioners, Mr. V.Prakash, Learned Senior Counsel appearing for the First to Third, Fifth and Sixth Respondents and Mr. C.Harsha Raj, Learned Government Counsel appearing for the Seventh Respondent and perused the materials placed on record, apart from the pleadings of the parties.

2. The Petitioners, viz., Tamil Nadu Civil Supplies Corporation, have been established by the Government of Tamil Nadu for procurement, storage and distribution of food grains in the State. The First to Sixth Respondents through the Trade Union in which they claim to be members, made an application under Section 3(1) of the Tamil Nadu Industrial Establishments (Conferment of Permanent Status to Workmen) Act, 1981 (hereinafter referred to as 'the Permanent Status Act' for short) in C.P.S. Case No. 2676 of 2008 before the Seventh Respondent claiming that they had been employed as sweepers in the godowns of the Petitioners at various places and were entitled to the benefit of conferment of permanent status on having completed 'continuous service' of 480 days in a period of 24 calendar months in that industrial establishment. The Seventh Respondent by Order in C.P.S. Case No. 2676 of 2008 dated 16.04.2012 granted that benefit sought to the First to Sixth Respondents, which is assailed in this Writ Petition.

3. Learned Counsel for the Petitioners contends that despite the objections raised by the Petitioner, the Seventh Respondent has extended the benefits under the Permanent Status Act to the First to Sixth Respondents without any evidence in proof of their claim.

4. Learned Senior Counsel appearing for the First to Third, Fifth and Sixth Respondents submits that the Petitioners have been adopting unfair labour practices by employing sweepers in the godowns of the Petitioners for long periods without regularizing their services and has been denying them of their

legitimate rights and the consequential monetary emoluments and cites the decision of the Division Bench of this Court in Managing Director, Tamil Nadu Civil Supplies Corporation, Chennai -vs- M.Pechimuthu (Order dated 28.04.2021 in W.A. No. 897 of 2021), where it was declined to interfere with an order granting permanent status to the similarly placed persons in another establishment of the Petitioners.

5. Having regard to the rival submissions made, this Court called for the records from the Seventh Respondent so as to examine whether the relief granted to the First to Sixth Respondents in the impugned order is supported by the evidence lead by the parties. In furtherance thereto, Learned Government Counsel appearing for the Seventh Respondent has produced the records from which it has been noticed that the Chairman and Managing Director of the Petitioners by Letter No. Rc.ALB4/135307/2005 dated 12.01.2007 has recommended to the Special Secretary to the Government of Tamil Nadu, Co-operation, Food & Consumer Protection Department for the regularization of services of the First to Sixth Respondents as they had rendered more than two years of service satisfying the requirement of completing the continuous service of 480 days in a period of 24 calendar months for extending the benefit under the Permanent Status Act.

6. The natural consequence that flows from the conferment of permanent status by operation of the Permanent Status Act is that the payment of wages of the amount equivalent to that of a regular employee has to be extended and in this context, it would be useful to refer to the decision of the Hon'ble Supreme Court of India in State of Punjab -vs- Jagjit Singh [(2017) 1 SCC 148], where it has been observed as follows:-

"58. In our considered view, it is fallacious to determine artificial parameters to deny fruits of labour. An employee engaged for the same work cannot be paid less than another who performs the same duties and responsibilities. Certainly not, in a Welfare State. Such an action besides being demeaning, strikes at the very foundation of human dignity. Anyone, who is compelled to work at a lesser wage does not do so voluntarily. He does so to provide food and shelter to his family, at the cost of his self-respect and dignity, at the cost of his self-worth, and at the cost of his integrity. For he knows that his dependants would suffer immensely, if he does not accept the lesser wage. Any act of paying less wages as compared to others similarly situate constitutes an act of exploitative enslavement, emerging out of a

domineering position. Undoubtedly, the action is oppressive, suppressive and coercive, as it compels involuntary subjugation."

In that view of the matter, the impugned Order in C.P.S. Case No. 2676 of 2008 dated 16.04.2012 passed by the Seventh Respondent is confirmed.

In the result, the Writ Petition is dismissed. Consequently, the connected miscellaneous petition is closed. No costs.
