

A.No.1101 of 2021

P.T. ASHA, J,

It is seen that the arbitration proceedings have been initiated and Section 17 application has also been ordered in favour of the applicant. The applicant has moved the current application stating that the application filed under Section 17 is not efficacious.

Section 17(2) of the Arbitration and Conciliation Act clearly provides the orders of the arbitration tribunal is enforceable under the Code of Civil Procedure. Without taking this recourse, the applicant has come forward with this application and hence, this Application is dismissed.
