O R D E R

This writ petition has been filed to direct the second respondent to issue transfer certificate, mark statements and conduct certificate to the son of the petitioner, viz., V. Advaith, without further delay, to enable the petitioner to admit his son in another affordable school based on the request made by the petitioner dated 9/1/2021.

2.The grievance of the petitioner is that the 2nd respondent has demanded more fee than the fee prescribed by the fee committee, therefore, the petitioner is intended to get the transfer certificate from the 2nd respondent school and admit his children in another institution, for which, he approached the institution, but the 2nd respondent institution has refused to part with the transfer certificate and other documents and also claiming arrears of fee from the petitioner. Therefore, the petitioner has sent a representation to the 1st respondent and thereafter, has approached this Court.

3. He would further submit that as against the very same institution, the parents have already approached this court in W.P.No.20265 of 2020 and this Court had also considered the very same issue earlier and passed an order dated 31.12.2020. The relevant portion of the order reads as follows:

"4.Upon perusal of the aforesaid orders and on examining the documents on record, I find that the school has neither a statutory nor contractual lien over these certificates. Accordingly, this writ petition is disposed of by directing the second respondent School to hand over the transfer certificate, marks statements, conduct and other certificates to the student concerned within one week from the date of receipt of a copy of this order. As regards arrears of fees, if any, the school is entitled to initiate separate proceedings in respect thereof against the parents of the student. It is also made clear that the arrears of fees should not be indicated on any of the certificates that are handed over to the student.

4.The learned counsel further submitted that this Court had also dealt with the same issue earlier and had passed an elaborate order in W.P.(MD).No.20726 of 2019, vide, order, dated 17.10.2019, considering the earlier orders of this Court Prior to S.Muthukamatchi's case, another Single Judge of this Court in A.John Paul and two others Vs. State represented by the Inspector of Police and another reported in 2012(4) CTC 826.

5.In the light of the aforesaid decision held by this Court in W.P.(MD).No.20726 of 2019 vide order dated 17.10.2019, that the certificates of a student cannot be held back by an Educational Institution citing financial dues and dispositive reasoning of this Court, this Court is inclined to allow this writ petition on the following terms:

(a)The Second respondent shall issue transfer certificate, conduct certificate, mark sheets, all other

certificates and documents necessary for writ petitioner's son to pursue his education further, within a week from the date of receipt of a copy of this order;

(b) Writ petitioner and his son shall go over to the office of the second respondent and collect the documents under due acknowledgment within a week therefrom;

(c) It is open to the second respondent to file a suit against the writ petitioner if there is any fee balance or arrears and if the second respondent school chooses to do so, the jurisdictional civil court shall adjudicate upon the suit uninfluenced by and untrammelled by any observation made in this order.

6. It is made clear that the arrears of fees should not be indicated on any of the certificates that are to be handed over to the student.

7. This writ petition stands allowed accordingly. No costs.
