(vii)the data collected from the Pachaiyappa's Trust with regard to colleges

under the Pachaiyappa's Trust reveals that there are 6 colleges in 3 districts of Chennai, Kancheepuram and Cuddalore. The last college was started in 1971 at Chennai more than one and half century with the name of Chellammal Women's College, Guindy, Chennai. In between those periods other three colleges were started in 1950 and 1967. All the colleges are aided Colleges. The other administrative infrastructure expenditures have been met out by Pachaiyappa's Trust. The Colleges are offering Undergraduate, Postgraduate and Research courses. (viii)during the Official Trustee's inspection, the Principals and faculties of the colleges have made a general appeal to the Official Trustee that either to

give scholarship or meritorious award to the poor and deserving students studying in the colleges run by the Pachaiyappa's Trust in different places from the funds of Official Trustee. On interacting with the Principal and other Professors it is felt by the Official Trustee that the surplus funds from trusts may be utilized to give meritorious award to the students who have passed with highest marks in under graduate regular course [shift-I aided college] in the colleges run by Pachaiyappa's Trust.

(ix)the great Vallal Pachaiyappa Mudaliar died at the age of 40 in the year 1794 by leaving a Will by bequeathing his properties to various charities. After his demise the boards of trustees have started educational institutions to cultivate knowledge to the students in Chennai and the rural districts of then South Arcot and Chengulput Districts at Cuddalore and Kancheepuram respectively. The above referred institutions are pioneer in the higher educational field to educate the people. Great leaders studied in the colleges. To encourage and motivate the people and make healthy competitiveness among the students to secure highest marks, the Official Trustee is in firm opinion that the meritorious award will make at least some level of increasing the knowledge of students .

(x) As per the intention of the Testator N.V. Ammal after the expenditure of charities, government cess and other attending expenditure the balance net income should be handed over to the Pachaiyappa's charities. It has been done then and there. From and out of the surplus fund of N.V. Ammal Trust Estate the Official Trustee suggested by this report that meritorious award to the students who secure highest marks in the undergraduate courses of B.A., B.Sc., and B.Com from the Pachaiyappa's College for Women, Kanchipuram Anna and Chellammal Women's College, Chennai run by the Pachaiyappa's Trust may be considered.

(xi) this meritorious award is restricted only to the undergraduate degree of B.A., B.Sc. and B.Com in regular courses of aided Colleges. The students who have passed postgraduate degree and research degree are not entitled to the award. Further, the students who have studied even in undergraduate degree in the self financing courses [Shift-2] in the above colleges are not eligible to receive this award.

(xii) the B.A. degree means in any discipline of History, Historic studies, Economics, Psychology, Ethics, Tamil, English alike that. B.Sc. degree

means any discipline of Maths, Physics, Chemistry, Botany, Zoology and alike that. B.Com means B.Com General, B.Com Corporate Secretaryship and alike that. Therefore, the students who have passed any degree of B.A., B.Sc., and B.Com are eligible to avail this meritorious award from any of the colleges mentioned above.

(xiii) it is proposed to give the meritorious award to the socially, economically weaker section students only from the SC, MBC and BC communities. Therefore, the FC or open category communities' students are not eligible to get this award. The SC communities includes of SC, SC (A) and ST. The MBC communities includes of MBC (V), MBC - DC and MBC. BC communities include BC and BC (M).

(xiv) each one student from SC, MBC and BC is eligible to get this award from each degree of B.A., B.Sc., and B.Com. with any discipline who secures highest marks in the main degree. In a better understanding one student from each SC, MBC and BC are eligible to get meritorious award from B.A. degree from each college. In the same manner one from each SC, MBC and BC student are eligible to get meritorious award with B.Sc. degree and one from each SC, MBC and BC student are eligible to get award having passed

with B.Com degree. Further conditions to avail the award is as follows:

- The student must belong any one of SC [SC, SC(A) & ST], MBC [MBC (V), MBC - DC & MBC] and BC [BC & BC(M)].
- The student should have passed the degree within 3 years and should left the college with the degree.
- The arrears papers, if any, of first year and second year or first semester to fifth semester, as the case may be, should have been passed in the last year or last semester examination.
- All the three years overall marks is to be considered to select the students to get this award within the same community for each degree of B.A., B.Sc., and B.Com.
- The highest mark scored students from each degree and each community will be honoured by giving this award.
- If more than one students get equal marks in any one of the degree within the same community this award would be equally divided and paid to them.
- The Principal of the respective colleges has to form a selection committee of three faculties to select the student to get this award.

- It is advisable to the Principal that the members of the selection committee should be senior faculty preferably from each degree of B.A., B.Sc., and B.Com.
- Further that three members selection committee faculties may be from each one of SC, MBC and BC community to safeguard the interest of the students.

(xv)there are more students studying in B.A. and B.Sc. degree having more disciplines. But in B.Com degree the discipline is one or two. The B.Com students strength is normally in two digits but in rare case in three digits. Further comparison between B.A. and B.Sc., the former is an art and the latter is a science. Passing of B.A. is normal than B.Sc. Therefore, it is proposed to fix the award amount by taking competitiveness among the large number of students within B.A. and B.Sc. degree a sum of Rs.30,000/- and Rs.40,000/- is fixed respectively. For B.Com. the competitiveness is less and therefore, Rs.20,000/- is fixed for this award.

(xvi)The three members selection committee has to finalize the highest mark scored student list in each degree of B.A., B.Sc., and B.Com with

community category wise and then submit a report with tabular column to the Principal and the same will be forwarded to the Official Trustee to give meritorious award.

(xvii) considering the same, the following meritorious cash award is proposed as follows:
