For Petitioner : Mr.P.Muthamizhselvakumar

For Respondent : Mr.S.Sugendran
Government Advocate (Crl.Side)

O R D E R

The present Criminal Revision Case has been filed against the order dated 09.02.2021, passed by the learned District and Sessions Judge, Nagapattinam in Crl.M.P.No.449 of 2021 dismissing the petition filed under Sections 451 and 457 of Cr.P.C., seeking return of Mahindra Tractor bearing registration No.TN-82-D-9605 to the petitioner.

2. The respondent-Police has seized above Mahindra Tractor, belonging to the petitioner in connection with the case registered in Crime No.258 of 2020 on its file for offence under Sections 379 IPC and 21 (1) of Mines and Minerals (Development and Regulation) Act. Hence, the petitioner has moved Cr.M.P.No.449 of 2021, before the designated Court, viz., the learned District and Sessions Judge, Nagapattinam, seeking return of the vehicle. Such petition came to be dismissed under

orders of the Court below dated 09.02.2021. Hence, this revision.

3. The learned counsel for the petitioner would submit that subject matter of vehicle was not involved in the alleged offence, it is only based on the false information the respondent/police seized the vehicle and that the matter is pending for more than six months. He would further submit that the vehicle in question is left idle in the open space thereby, the condition of the vehicle is getting deteriorated and the value of the vehicle is lost thereby, putting the petitioner to hardship and hence, he seeks for return of the vehicle.

4. The learned Government Advocate (Crl.Side) appearing for the respondent police would submit that the alleged Mahindra Tractor vehicle has been used for illegal transportation of one unit of savudu sand and investigation is still pending and charge sheet not yet filed, and hence, he objects for release of the vehicle.

5. Heard the learned counsel appearing on either side and perused the materials available on record.

6. Admittedly, the case was registered against the petitioner for illegal transportation of river sand. This Court, time and again, gave a direction that stringent action should be taken in the case of Mines and Minerals and also natural resources. It is seen that in the present case, investigation is pending and charge sheet also not yet filed. If at all, after investigation found that the vehicle is involved in the commission of offence, it is liable to be confiscated. The release of the vehicle during investigation is purely the discretionary power of the Court. Therefore, the learned Judge by exercising the discretionary jurisdiction has dismissed the petition filed by the petitioner. This Court, while exercising the revisional jurisdiction cannot conduct roving enquiry at this stage.

7. In view of the same, this Court does not find any perversity or infirmity in the order passed by the Court below. Accordingly, this Criminal Revision case is dismissed.
