O R D E R

This Writ Petition has been filed for issuance of Certiorarified Mandamus, calling for the entire records of the Second Respondent insofar as the High Tension Bills (Provisional) dated 07.05.2020, 05.06.2020 and 06.07.2020 pertaining to Service Connection bearing No.019094022363 and quash the same and consequently direct the respondents to rework the HT Bills for the same and not to levy any penalty for the lockdown period and thereby adjust the excess amount beyond the minimum tariff of 20% paid towards future bills.

2. According to the Petitioner, they are running Textile business in the premises at No.100, Usman Road, T.Nagar, Chennai and having High Tension Service Connection bearing No.019094022363. During the Covid-19 pandemic period, pursuant to the lock down announced by the Government, no business operation was done by the petitioner in the said premises. But, the Respondent Board has raised bills at the rate of 90% of the sanctioned demand, contrary to Proviso 6(b) of the Supply Code, which provides for collection of minimum charges of 20% of the billable demand or recorded demand, whichever is higher, besides charges for the actual consumption of electricity. Aggrieved over the same, the petitioner has come up with this writ petition for the aforesaid relief.

3. The learned counsel for the Petitioner submitted that in similar circumstances, by order dated 14.08.2020, this Court, in a batch of writ petitions in W.P.No.7678 of 2020, after having held that maximum demand charges and the compensation charges levied by the TANGEDCO against the HT consumers are illegal, unsustainable and in violation of statutory regulations, allowed those writ petitions with certain directions, the operative portion of which is profitably, extracted hereunder:-

"45. The above discussion leads this Court to the only conclusion that the maximum demand charges and the compensation charges levied by TANGEDCO against the petitioners who are HT consumers, is illegal, unsustainable and in violation of the statutory regulations. Accordingly, the Maximum Demand Charges and the compensation towards low PF that have been questioned in the impugned bills raised by the TANGEDCO for each of the consumers who are parties in these batch of writ petitions, is hereby quashed. The following directions are also issued by this Court:

to be under lockdown due to the Government Orders passed in this regard, the minimum charges alone shall be collected till the lifting of the lockdown."

Hence, the learned counsel prayed for similar order in this writ petition also.

4.Mr.P.R.Dhilip Kumar, Learned Standing Counsel taking notice for the Respondents submitted that as against the aforesaid order, the Respondent Board has filed Writ Appeals before a Division Bench of this Court and the same are yet to be taken up. However, he fairly submitted that no business operation was done by the petitioner in the subject premises due to the lock down announced by the Government.

5.Considering the facts and circumstances of the case and having regard to the submissions made by the learned counsel on either side and also following the earlier order of this Court as referred to above, this Writ Petition stands allowed, in the same lines as done in the order dated 14.08.2020 made in W.P.No.7678 of 2020 etc. batch. No costs. Consequently, connected Miscellaneous Petition is closed.
