For Petitioner : Mr.R.Arumugam
For Respondents : Mr.P.Subramaniam,

O R D E R

The issue as to whether the seniority of the petitioner herein can be re-fixed is based on various factual aspects and this Court may not be justified in stepping into shoes of the authority and re-fixing the seniority of the petitioner, who was employed as Helper on the date of this claim.

2.It is also seen that the petitioner herein had given representation in this regard seeking for re-fixing of seniority and owing to the non-consideration of his representation, the present Writ Petition has been filed.

3.Since the representation was given way back in the year 2014, this Court is of the view that the petitioner herein can be granted an opportunity to give a fresh representation with a consequential direction to the authority to consider the same within a stipulated time, which would secure the ends of justice.

4.In the light of the above observations, the petitioner is granted liberty to make a fresh representation to the second respondent herein, ventilating his grievances, as expeditiously as possible and on receipt of such a representation from the petitioner, the second respondent herein shall consider it, on its own merits and pass appropriate orders in accordance with law, atleast within a period of four (04) weeks from the date of receipt of the fresh representation made by the petitioner.

5. With the above direction, this Writ Petition stands disposed of. No costs.
