#### ORDER

This writ petition has been filed to issue a writ of Mandamus directing the 4<sup>th</sup> respondent to consider the petitioner's representation dated 05.04.2021, to disconnect the Electricity Connection in Consumer No.09218023200, illegally obtained by the 5<sup>th</sup> respondent.

2. The contention of the petitioner is that the petitioner and late S.R.Srinivasan are the owners of the land in survey No.193/10 at Sholinganallur Village, Kancheepuram Taluk and the 5<sup>th</sup> respondent namely M/s AKAR Granites had grabbed the property in survey No.177/1B1A, which belongs to the Highways Department by the acquisition, adjacent to the petitioner's land. The further contention of the petitioner is that the 5<sup>th</sup> respondent had constructed a temporary sheet in the above said land and by creating forgery documents, they obtained a service connection in that land. Hence, he gave a complaint dated 05.04.2021 to the respondent Board, However, till date, it was not considered by them. Hence this writ petition.

3. Mr.Jaivenkatesh, learned Standing Counsel for the Electricity Board takes notice for the respondents R1 to R4.

4. By consent of the counsels to both the parties, this court takes this matter for final disposal.

5. The learned counsel appearing for the respondent Board would submit that the representation of the petitioner will be considered by the Board in accordance with law, after providing opportunities to the parties concerned.

6. Inview of the submission made by the learned counsel appearing for the Board, this court has no hesitation to direct the fourth respondent to consider the petitioner's representation dated 05.04.2021 in accordance with law, as early as possible, within a period of eight weeks from the date of receipt of a copy of the order, after providing opportunities to the petitioner as well as the fifth respondent.
