2. It is needless to state that Act, rules and guidelines or instructions pursuant to the Statutes and Rules are to be followed by the executives scrupulously. A writ filed seeking implementation of certain instructions become unnecessary as the non-implementation if raised as a ground, then alone the cause would arise for the purpose of adjudication of issues. Implementation of a Statute, Rules or Guidelines may arise only in the event of violation of the provisions of the Statutes, Rules or the Guidelines issued by the authorities in exercise of the powers under the Statute or such Rules. This being the basic principles to be followed, the authorities competent are bound to follow the provisions of law as well as the consequential guidelines issued. However, the relief, as such, sought for in these writ petitions deserve no adjudication on account of efflux of time.

3. Further, it is brought to the notice of this Court that several developments occurred during the pendency of these writ petitions and if at all any grievance exist with reference to any particular issue, it is left open to the parties to approach the competent authorities in the manner known to law.

4. With these observations, all these Writ Petitions stand disposed of. No costs. Consequently, connected miscellaneous petitions are closed.
