2. The case of the petitioner is that the petitioner have already collected the details of surplus wing energy sold to the respondent after captive consumption from the year 2019 to 2021 for a sum of Rs.32,77,092/- i.e. for the year 2019-2021 a sum of Rs.23,89,850/-, and for the year 2020-2021 a sum of Rs.8,87,242/-. Accordingly, raised invoices for the encashment of the same at the applicable tariff value at the appropriate time with the respondents. However, both in pursuance of the tariff order dated 20.03.2009 and also as per the terms of the Energy Wheeling Agreement executed between the petitioner and the Officials of the respondent, no payment has been made till date. It is further stated that the petitioner have availed loan for establishing their wind mills and are paying interest for the same. Since there is abnormal delay in getting payment from the respondent/Corporation, they are facing financial constrain and seek direction to the respondents not to take any coercive steps to disconnect the electricity connection until outstanding due amount is adjusted by the respondent Board towards the current consumption charges payable by the petitioner.

3. Heard the learned counsel appearing for the petitioner and the learned Standing Counsel appearing for the respondent-Board and perused the records.

4. The learned counsel appearing for the petitioner relied upon by the final orders passed by this Court in similar matter in W.P.No. 12765 of 2021, dated 21.06.2021 and agreed to pass

orders in the instant writ petition on the same line. Accordingly, the following order is passed;
