ORDER

(Order of the Court was made by The Hon'ble Chief Justice)

The grievance of the petitioner is that the order dated March 15, 2021 passed on W.P.No.6533 of 2021 has not been complied with.

2. The relevant order required the fourth respondent to the writ petition to consider a representation of September 15, 2020 and dispose of the same by a speaking order. The earlier part of the order had also required appropriate action to be taken to remove any encroachment.

3. There is no dispute that action has been taken. However, the petitioner says that all the encroachers have not been removed.

4. It is submitted on behalf of the State by Mr.Harsha Raj, learned advocate, that of the 31 encroachers, 30 of them have been removed and the lone encroacher has instituted proceedings elsewhere in this court and the interim order subsisting in the relevant petition has prevented further action being taken.

5. In such view of the matter and since the order appears to have been substantially complied with, it will be open to the petitioner to pursue other remedies than proceeding in contempt.
