DR. A.D. MARIA CLETE, J

This petition has been filed to restore the appeal in A.S.No.32 of 2019 which was dismissed as abated on 03.12.2020. Though this petition is of the year 2020, service awaited in respect of R2 to R11 and with regard to private notice, service has not been effected in respect of R2, R5, R6, R9 & R11 and Mr.Bharath Kumar, learned counsel for the appellant seeks time to effect service. However, the learned counsel for the appellant submits that there was no representation for the appellant and though R1 died, no steps have been taken and thus, the suit has been dismissed as abated and till date, no effective steps have been taken by the appellant even in this petition filed to restore the appeal. It is also submitted that the original suit relates to partition and the same was also dismissed against the appellant and he has filed the appeal before this Court only to drag on the proceedings. It is further submitted that subsequently, R9 died in this petition and thus, sought for dismissing the petition.

2.However, in view of the fervent submission made by the learned counsel for the appellant, time granted till 10.11.2025 to complete the service. It is made clear that no further extension will be granted. On compliances, list on 10.11.2025.

3.If no effective steps have been taken, this petition automatically stands dismissed without any further reference to this Court.
