This writ petition has been filed for the issue of writ of Mandamus directing the 1st respondent to take action against the 2nd respondent, who is said to be running a flour mill without obtaining any license from the 1st respondent.

2. When the matter was came up for admission on 24.09.2021, this Court directed the learned Standing counsel appearing on behalf of the 1st respondent to take instructions as to whether the second respondent has got any license for running the flour mill. When the matter was taken up for hearing today, it is submitted that the 2nd respondent has merely submitted an application seeking for license and no license has been granted by the 1st respondent.

3.In view of the above submissions, there shall be direction to the 1st respondent to immediately stop the 2nd respondent from

running the flour Mill, till a license is granted in his favour. The 2nd respondent cannot proceed further to run the flour mill even without obtaining a license from the 1st respondent. Obtaining such a license becomes very important because the 1st respondent while considering the application will have to necessarily consider the fact as to whether the running of the flour mill will cause nuisance/ noise pollution to the persons who are living in and around the flour mill. This direction shall be complied with by the 1st respondent forthwith.

4. This writ petition is disposed of with the above direction. No costs.
