O R D E R

The impugned auction notice reveals that to recover, the new auction notice was issued on 07.07.2014. In view of the fact that the said advertisement was made in the year 2014 and the auction was conducted long before hence, the relief sought for in the present writ petition to quash the auction notice would

not arise at all. If any other grievance exists, the petitioner is at liberty to approach the competent authority in the manner known to law.

2. Accordingly, this writ petition stands disposed of. No costs. Consequently, connected miscellaneous petitions are closed.
