

A.No.3575 of 2021
in C.S.No.299 of 2016

N.SESHASAYEE, J.,

This is a peculiar Application taken out by the learned counsel for the plaintiffs on the ground that in this case the defendants have been taking repeated adjournments for further evidence and the learned Master is far too generous in granting adjournments.

2.This Court now directs the learned Master to complete the trial, with or without the defendants co-operating, on or before 30.11.2021.

3.This Court is informed that the matter is coming before the learned Master on 20.10.2021.

4.Post the matter before the Additional Master - II on 20.10.2021.
