2.It is seen from the records that the parties have filed several applications seeking various interim reliefs including return of property and for criminal proceedings under Section 340(1) of the Criminal Procedure Code. The said applications are pending. I do not think, it is a fit case where a direction could be issued to the Family Court to dispose of the original petition within a specified time in view of the pendency of various applications.

3.Hence, this civil revision petition is dismissed with liberty to the petitioner to move this Court after disposal of the interlocutory applications.
No costs.
