AND

W.M.P.NO.27411 OF 2021

1. N.Selvi

2. A.Vasanth

... Petitioners

.Vs.

The District Collector,
Perambalur District,
Perambalur.

... Respondent

PRAYER:-

Writ Petition filed under Article 226 of the Constitution of India, to issue a Writ of Mandamus, directing the respondent to consider the petitioner's representation dated 21.10.2021 and extend the construction of the storm water channel up to the stream running on the Eastern side and Western side which passes from South to North in Perambalur Thuraiyur Highways of Ammapalayam Village in order to drain the rain water freely in the existing stream.

For Petitioners : Mr.M.Muthappan

For Respondent : Mr.P.Gurunathan
Additional Government Pleader

O R D E R

The petitioner has filed this writ petition seeking issuance of Writ of Mandamus to direct the respondent to consider the petitioner's representation and extend the construction of the storm water channel up to the stream running on the Eastern side and Western side which passes from South to North in Perambalur Thuraiyur Highways of Ammapalayam Village in

2. The case of the petitioners is that their husband own agricultural land in Survey No.64/17A and 64/18 to an extent of 63 cents in Permbalur District and they have built house in a portion of the said land. The highways authority widened the road between Thuraiyur and Perambalur and for draining the rain water, on both sides of the road, there was a channel constructed for storm water clearance and there are three streams passing from south to north. However, the highways authorities have not extended the storm water channel up to the stream located in both sides, due to which, the water is running through the patta land of the petitioners which is damaging their house and the agricultural land. Therefore, the petitioners approached the Highways department, but they informed that the said storm water project is under the control of the District Collector. Hence, the petitioners made representation to the respondent herein and also to the Chief Minister's grievance cell on 21.10.2021. However, till date no action has been taken. Hence, this writ petition.

4. The learned Additional Government Pleader submitted that the same issue has been considered and a letter Na.Ka.No.45/2021/A1 dated 26.11.2021 has been issued. He further submitted that respondent is taking steps to connect the storm water drain to the existing water channel as early as possible.
