in
C.S. No. 219 of 2010

N. SESHASAYEE,J.

This application is taken out to
eschew the testimony of D.W.1.

2. According to the plaintiff,
D.W.1 has not been cross-examined
and he passed away.

3. When cross-examination of a
witness is not complete, obviously that
evidence has to be eschewed and it
does not require any application to
remind the Court as to what is needed
to be done. This application is
