ORDER

Petitioner has come up with this Writ Petition seeking a direction to the 1st Respondent to disconnect the High Tension Electricity connection provided to the 2nd Respondent and shift the same to the premises of the 2nd Respondent.

2. According to the Petitioner, she is the owner of the property situated at No.29/84, G1, Raajam's Buidings, 1st Avenue, 100 Feet Road, Ashok Nagar, Chennai and is carrying on business in the name and style of 'New Seniorita Beauty Parlour', since 2001. It is stated by the Petitioner that, the ground floor of the said building consists of two Units, viz. G1 and G2. While G1 belongs to the Petitioner, G2 belongs to the 2nd Respondent/M/s.Bharat Scans, a diagnostic Centre and the said premises is separated by a common staircase.

3. The case of the Petitioner is that, the 2nd Respondent has obtained High Tension power consumption service connection with the capacity of 11 ton 60 KV for the use of its own business, and has erected the same on the main Wall of her premises, which occupies most of the Wall of her premises. Hence, the Petitioner along with the owners of the building,

made written objections to the Respondents 1 and 3. Thereafter, they addressed further communications dated 27.08.2019, 03.09.2019 and 24.09.2019 to the Officials of the 1st Respondent to remove the High Tension electricity connection and shift it to the premises of the 2nd Respondent. The Petitioner has also addressed a complaint to the 3rd Respondent in this regard. As no action is forthcoming on her representation, having no other alternative, the Petitioner has come up with this Writ Petition.

4. Learned counsel for the Petitioner submitted that, it is suffice if a direction is issued to the 1st Respondent to conduct field inspection of the premises in question in the presence of the Petitioner and the 2nd Respondent herein and if it is found that, High Tension Electricity connection runs through the Wall of the Petitioner, the same may be removed and shifted to the premises of the 2nd Respondent herein.

5. Learned counsel appearing for the 2nd Respondent submitted that, the High Tension electricity cable runs only through the premises of the 2nd Respondent herein and not through the premises of the Petitioner. However, she submitted that, the 2nd Respondent has no objection for conducting field inspection of the premises in question.

The Writ Petition is disposed of accordingly. No costs.
