ORDER

By consent of both the parties, this writ petition is taken up for final disposal.

2. The petitioner herein had given a representation in the year 2017 seeking for promotion to the post of Lecturer and since the said representation was not considered, the present writ petition has been filed.

3. Today when the matter was called, the learned counsel for the petitioner submitted that pending the writ petition, the respondents have passed an order in G.O.Ms.No.(D).762 dated 01.09.2020 granting promotion to the petitioner to the post of Lecturer with effect from 2020. Though the learned counsel for the petitioner submits that the portion of the relief sought for in the representation has been considered, he would submit that the petitioner is entitled for promotion from the year 2017 onwards and further that the respondents have not released the salaries of the petitioner from the month of April 2021.

4. Since the substantial portion of the representation has been considered, no effective orders can be passed in the present writ petition, whereby the petitioner has sought for a direction to the respondents to dispose of his representation. However, if the petitioner is of the view that he is entitled for promotion from the year 2017 and also for the salaries payable to him from April 2021, liberty is hereby granted to the petitioner to make necessary representation, in accordance with law.

5. The present writ petition stands disposed of, accordingly. No costs.
