[Order of the Court was made by The Hon'ble CHIEF JUSTICE]

It is difficult to accept the petitioner's complaint pertaining to a recruitment process and the perceived irregularities in the conduct thereof.

2.In any event, the process has been completed and the official respondents indicate that appointments have been made in January, 2021.

3.Since the matter pertains to the services of several individuals, the petitioner's grievance cannot be given much credence. However, the respondent authorities should cross-check the process and if any irregularities are found, remedial measures should be taken as expeditiously as possible. The petitioner's prayer for interfering with the process is declined, in view of the appointments having already been made.

4.W.P. (MD) No.3660 of 2021 is dismissed. There will be no order as to costs.
