ORDER

(Order of the Court was made by **M.M.SUNDRESH, J.**)

The petitioner has come forward to file this writ petition challenging the proceedings dated 04.06.2020, which is a communication sent by the Revenue Thasildar, Sattur to the Revenue Divisional Officer, Sattur, indicating that the allegation made by the petitioner as against the private respondent is not correct, since the quarrying has taken place in the area, for which, permission has been given and after getting despatch slip. The same has also been reiterated by the order dated 12.06.2020 of the Revenue Divisional Officer, Sattur, sent to the petitioner.

2. Though the learned Counsel appearing for the petitioner submitted that the aforesaid enquiry is not factually correct, we do not propose to entertain the writ petition in the absence of any contra materials to substantiate the same. The quarried sand has also been transported thereafter. It is not as if the private respondent has been indulging in illegal activity and that too, continuously.

3. In the result, this writ petition stands dismissed. No costs. Consequently, connected miscellaneous petitions stand closed.
