ORDER

The order under Section 7Q of the Employees' Provident Funds and Miscellaneous Provisions Act claiming interest to the tune of Rs.73,97,926/- for the period from June-2012 to December-2016 is put under challenge. The petitioner college has not disputed the claim made by the respondent. But they have only submitted that since they were unable to get the nominal educational fees from the students, they may be sympathetically considered for paying the claim made under Section 7Q of the Act in thirty six equal monthly installments.

2.Though this Court is inclined to give sympathetic consideration to the petitioner and permit them to pay the interest in equal monthly intsallements, the number of EMI's sought for by the petitioner does not seem to be reasonable. However, if the petitioner is permitted to pay the amount in thirty equal monthly installments, which was also the mode appeared by this Court in an earlier case in **M/s.Ari Aravindar Engineering College Vs The Assistant Provident Fund Commissioner** in W.P(MD) No.2049 of 2020, the ends of justice could be secured.

3.Accordingly, the petitioner is directed to pay the interest amount claimed under Section 7Q of the EPF Act, in thirty equal monthly installments and the first of the such installment shall commence from 07.04.2021 and the balance of twenty nine installments shall be paid on or before 15th day of the subsequent months. If the petitioner fails to pay the monthly installments, the respondent can workout their remedy in the manner known to law.

4.The Writ Petition is disposed of. No costs. Consequently, connected miscellaneous petitions are closed.
