

BEFORE THE MADURAI BENCH OF MADRAS HIGH COURT
(Criminal Jurisdiction)

Date : 22/04/2021

PRESENT

The Hon`ble Mr.Justice G.CHANDRASEKHARAN

CRL OP(MD). No.4907 of 2021

Sundararajan ... Petitioner/Accused No.1

Vs

State rep.by
The Inspector of Police,
Sattur Taluk Police Station,
Virudhunagar District.
(Crime No.50/2021)

... Respondent/Complainant

For Petitioner : Mr.P.Saravanakumar,
Advocate.

For Respondent : Mr.R.Erottuchamy,
Government Advocate (Crl.Side)

PETITION FOR ANTICIPATORY BAIL Under Sec.438 of Cr.P.C

PRAYER :- For Anticipatory Bail in Crime No.50 of 2021 on the file of the respondent police

ORDER : The Court made the following order :-

The petitioner/A1, who apprehends arrest at the hands of the respondent police for the alleged offences punishable under Section 379 of IPC and Section 21(1) of Mines and Minerals (Development and Regulation) Act, 1957, in Crime No.50 of 2021, seeks anticipatory bail.

2.The case of the prosecution is that the petitioner and other accused illegally transported one and half units of river sand by using Tipper Lorry bearing registration No.TN-96 4761. Hence, the complaint.

3.The learned counsel appearing for the petitioner submitted that the petitioner is an innocent person and he did not commit any offence as alleged by the prosecution. He further submitted that he has been falsely implicated in this case. Hence, he prayed for grant of anticipatory bail to the petitioner.

4.The learned Government Advocate(Crl.Side) appearing for the respondent police strongly opposed this petition on the ground that

the petitioner is having two previous cases of similar in nature and the vehicle and sand were seized on the spot and on seeing the search party headed by defacto complainant, the petitioner and other occupants escaped from the scene of crime.

5.It is seen that illegal and indiscriminate sand mining has become a threat to the worldwide environment. It leads to changes in river channel form, physical habitats and food webs. It also increases the velocity of flow in river which destroy flow-regime eventually erodes the river banks. Removal of vegetation and destruction of the soil profile destroys habitat above and below the ground and faunal population decrease. Not only that, sand mining causes sinking of water tables in the nearby areas and as a result, ground water table drops leaving the drinking water wells on the embankments of these rivers dry.

6.This offence of illegal mining is not only an offence against any particular individual, but against the Society at large. It affects not only the present population, but the posterity as well. In this view of the matter, this Court is not inclined to grant anticipatory bail to the petitioner. Accordingly, this Criminal Original Petition is dismissed.
