O R D E R

The petitioners are figuring as accused in Crime No.138 of 2021 registered on the file of the respondent for the offences under Section 379 of IPC and Sections 21(1) and 21(4) of Mines and Minerals (Development and Regulation) Act, 1957.

2.The case of the prosecution is that on 06.03.2021 at around 04.00 am, the petition mentioned vehicle driven by the first petitioner was intercepted and it was found to be carrying m-sand without proper documentation. To quash the said FIR, this criminal original petition has been filed.

3.The categorical stand of the petitioners is that the petitioners were transporting the m-sand under due documentation. When the matter earlier taken up for hearing, the respondent was directed to make a statement regarding the genuineness of the said

documents. Today, ie., 23.11.2021, when the matter was taken up for hearing, the learned Additional Public Prosecutor on instructions submitted that the documents produced by the petitioners are very much genuine. When the petitioners were transporting m-sand under due permit, the question of fastening penal liability on the petitioners does not arise at all. The petitioners through their counsel give an undertaking that they will treat the matter as closed and not initiate any proceeding against the respondent police.

4.Recording the said undertaking of the petitioners given through their counsel, the impugned FIR is quashed and the criminal original petition is allowed. The respondent is also directed to release the petitioners' vehicle forthwith and without any delay. Consequently, connected miscellaneous petition is closed.
