G.Vijayakumar

... Petitioner/Accused No.2

Vs

The Inspector of Police,
Kumbakonam East Police Station,
Kumbakonam, Thanjavur District.
Cr.No.1317 of 2020.

... Respondent/Complainant

For Petitioner : Mr.Gomathi Shankar.G.,
Advocate.

For Respondent : Mr.R.Erottuchamy,
Government Advocate (Crl.Side)

PETITION FOR ANTICIPATORY BAIL Under Sec.438 of Cr.P.C

PRAYER :-

For Anticipatory Bail in Crime No.1317 of 2020 on the file of
the Respondent Police.

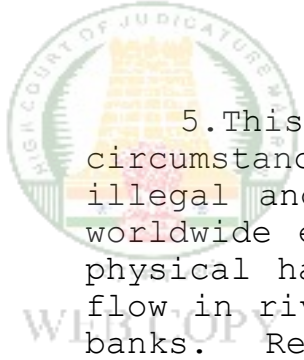

ORDER : The Court made the following order :-

The petitioner/A2, who apprehends arrest at the hands of the
respondent police for the alleged offences punishable under Section
379 of IPC r/w Section 21(4) of Mines and Minerals (Development and
Regulation) Act, 1957, in Crime No.1317 of 2020, seeks anticipatory
bail.

2.The case of the prosecution is that the petitioner and other
accused illegally transported four units of river sand by using
tipper lorry bearing registration No.TN-49 AY 5971. Hence, the
complaint.

3.The learned counsel for the petitioner would submit that the
petitioner is an innocent person and he did not commit any offence
as alleged by the prosecution. He would also submit that no previous
case is pending against the petitioner.

4.The learned Government Advocate(Crl.Side) appearing for the
respondent police strongly opposed this petition on the ground that
the vehicle and sand were seized on the spot and on seeing the
search party headed by defacto complainant, the petitioner and other
occupants escaped from the scene of crime.

5.This is the fourth application and there is no change of circumstances to entertain this application. It is seen that illegal and indiscriminate sand mining has become a threat to the worldwide environment. It leads to changes in river channel form, physical habitats and food webs. It also increases the velocity of flow in river which destroy flow-regime eventually erodes the river banks. Removal of vegetation and destruction of the soil profile destroys habitat above and below the ground and faunal population decrease. Not only that, sand mining causes sinking of water tables in the nearby areas and as a result, ground water table drops leaving the drinking water wells on the embankments of these rivers dry.

6.This offence of illegal mining is not only an offence against any particular individual, but against the Society at large. It affects not only the present population, but the posterity as well. In this view of the matter, this Court is not inclined to grant anticipatory bail to the petitioner. Accordingly, this Criminal Original Petition is dismissed.
