This writ petition has been filed for the issuance of writ of Mandamus, directing the respondents to survey the subject property and to fix the boundaries.

2.The case of the petitioner is that he purchased the subject property by virtue of a registered sale deed, dated 11.07.1997. Thereafter, the petitioner gave a representation to the respondents and the first respondent by letter, dated 22.01.2021, directed the second respondent to take appropriate action on the application submitted by the petitioner and to complete the survey and report the same. The grievance of the petitioner is that the second respondent has not acted upon the application given by the petitioner and left with no other alternative, the present writ petition has been filed before this Court, seeking for appropriate directions.
