ORDER

This writ petition has been filed for the issue of a writ of mandamus directing the fourth respondent to consider the representation made by the petitioner on 19.10.2019, wherein the petitioner has sought for correlation report.

2. The case of the petitioner is that the subject property was

originally owned by his grandfather and on his death, his father had inherited the property. Subsequent to the death of his father, the petitioner, his brother and sisters have inherited the property and they are in possession and enjoyment of the same.

3. The petitioner and the other legal heirs wanted to make a family settlement among themselves. However, the original document had described the property by providing only with the Paimash numbers. The petitioner therefore wanted the corresponding survey numbers for the same.

4. The petitioner, therefore, made a representation before the respondents seeking for correlation report and since the same was not considered, the present writ petition has been filed before this Court seeking for appropriate directions.

5. Heard the learned counsel for the petitioner and the learned Additional Government Pleader for the respondents.

6. Taking into consideration the facts and circumstances of the case and the limited relief sought for in this writ petition, there shall be a direction to the 5th respondent to consider the representation made by the petitioner on 19.10.2019 and to provide with the necessary information within four weeks from the date of receipt of a copy of this order.

7. The petitioner is directed to make a fresh representation to the fifth respondent along with all the relevant documents and also a copy of this order.

8. This writ petition is disposed of with the above direction. No costs.
