for respondent Nos.1, 2 & 4 and Mr.T.S.Mohammed Mohideen, learned Standing Counsel for respondent No.3.

2.The petitioner seeks for a direction upon the respondents to re-classify the lands in Ward No.C, Block No.11, T.S.No.38/2, Bear Sola Road, Kodaikanal Town, Dindigul District as Multi Use Zone or Commercial Zone on the basis of the representation of the petitioner dated 23.05.2020 within a time frame.

3.The petitioner's case is that originally the land in which the petitioner has put up the construction was classified as Mixed Residential Zone, but in the subsequent Master Plan, which was published, the land was re-classified as Agricultural Zone. Therefore, the petitioner sought for re-classification as Mixed Residential Zone. In this regard, the petitioner has made a representation dated 23.05.2020, which is pending before the first respondent.

4.Pursuant to the direction of this Court on an earlier occasion, the Commissioner, Kodaikanal Municipality has filed a report, which reads as follows:

"I humbly submit that as per the order of Honourable High Court I inspected the property which is the subject matter in Writ Petition W.P.(MD) No.7611 of 2020 on 17.07.2020 along with Town Planning Staffs. The property was de-sealed and we entered the property and measured the property and took photographs which are part and parcel of the report.

1) As per the building plan approval the building must be with the following measurement: (T.S.No.38/2C)

- a) Height of the building 6.95 metres.
- b) Ground floor 95 Sq.m.
- c) First floor 95 Sq.m.
- d) Total floor area 190 Sq.m.
- e) Open space 158 Sq.m.
- f) Plot coverage 37%.

2) As of now the deviation of the building is as hereunder: (T.S. No.38/2B).

- a) Height of the building 6.95 meters.
- b) Ground floor 82 Sq.m.
- c) First floor 82 Sq.m.
- d) Total floor area 164 Sq.m.
- e) Open space 171 Sq.m.
- f) Plot coverage 32%

3) As of now the deviation of the building is as hereunder: (T.S.No.38/2C & 38/2B)

The petitioner and his brother J.Christober have Raised a Combined Lodge building by name Sky Park (lumino)
Ground floor 345 Sq.m.

- a) First floor 310 Sq.m.

- b) Second floor 310 Sq.m.
- c) Third floor 310 Sq.m.
- d) Total floor area 1275 Sq.m.
- e) Required open space in not available.

4) The buildings lies in Survey Ward C, Block 11, T.S.No.38/2C & 38/2B at Bear shola road which is previously a Mixed Residential Zone and currently in Agricultural Zone.

4) The entire building is in violation of building plan approval and master plan. After inspection the building is sealed."

5.In terms of the above report, the land as on date is classified as Agricultural Zone and the building has been sealed. Admittedly, the procedure for reclassification of a land is very detail procedure, which required to be followed after notice to all concerned and stakeholders. However, this is a matter to be done by the first respondent after getting a report from the respondent Municipality.

6.Accordingly, we dispose of the Writ Petition with a direction to the first respondent to consider the representation of the petitioner dated 23.05.2020 and pass order on merits and in accordance with law. It is needless to say that Kodaikanal Municipality should be directed to submit a report with all relevant materials, including map. Till the order is passed, the building shall remain under lock and seal. No costs.
