**ORDER**

This writ petition has been filed for the issue of a writ of mandamus directing the third respondent to give effect to the orders passed by the second respondent through proceedings dated 10.12.2018 and issue patta in favour of the petitioner and three others with respect to the subject property.

2.The case of the petitioner is that the subject property was wrongly classified as poramboke in the revenue records. Hence an appeal was filed before the second respondent in order to rectify the mistake in the revenue records and to issue patta in the name of the petitioner and three others with respect to the subject property situated at S.No.205/2 in Uthamapuram village.

3. The further case of the petitioner is that the second respondent conducted a detailed enquiry and through proceedings dated 10.12.2018, an order was passed directing the rectification of the revenue records and for issuing patta in the name of the petitioner and three others. The grievance of the petitioner is that in spite of the orders passed by the second respondent, the same was not acted upon by the third respondent and representations were made in this regard. These representations did not evoke any response from the third respondent and left with no other alternative, the present writ petition has been filed before this Court seeking for appropriate directions.

4. Heard the learned counsel for the petitioner and the learned Government Advocate (Civil) for the first respondent.

5. Taking into consideration the facts and circumstances of the case and also the fact that the second respondent has already passed an order through proceedings dated 10.12.2018, there shall be a direction to the third respondent to consider the representations made by the petitioner and also the orders passed by the second respondent and undertake the necessary corrections in the revenue records and issue patta within six weeks from the date of receipt of a copy of this order.

6. The petitioner is directed to make a fresh representation to the third respondent along with a copy of the relevant documents and also a copy of this order. A copy of the representation shall also be marked to the second respondent.

7. The writ petition is disposed of with the above direction. No costs.
