...Petitioner

Vs.

1.The District Collector,
Kanyakumari District,
Office at Nagercoil,
Kanyakumari.

2.The Assistant Director,
Department of Geology and Mining,
Collectorate,
Kanyakumari District.

... Respondents

Prayer : Writ Petition is filed under Article 226 of the Constitution of India, praying for issuance of a Writ of Mandamus, directing the 1st respondent to permit the petitioner to conduct stone quarrying operation in petitioner's Patta land in S.F.No.521/6 over an extent of 1.77.0 Ha in Ponmanai Village at Kalkulam Taluk, in Kanyakumari District, for a period of 16 months and 25 days (non-operative period) for which the petitioner was not permitted to quarry during the lease period accorded vide the proceedings of the respondent in R.C.No.61/G & M/2012, dated 31.08.2015 and consequently, direct the 2nd respondent to issue transport permit to the petitioner for the said period.

For Petitioner : Mr.K.Samidurai.

For Respondents : Mr.P.Thilak Kumar
Standing Counsel

O R D E R

This Writ Petition has been filed by the petitioner praying to direct the 1st respondent to permit the petitioner to conduct stone quarrying operation in his respective Patta land, for non-operative period, for which, the petitioner was not permitted to quarry during the lease period, as per the permission granted and consequently, direct the 2nd respondent to issue transport permit to the petitioner for the said period.

2.By consent, the Writ Petition is taken up for final disposal at the admission stage itself.

3. The learned Counsel appearing for the petitioner would submit that the petitioner was granted permission to conduct stone quarrying operation, by the 1st respondent, for his patta land, bearing S.F.No.521/6 over an extent of 1.77.0 Ha in Ponmanai Village at Kalkulam Taluk, in Kanyakumari District, for a period of 16 months and 25 days (non-operative period) for which, the petitioner was not permitted to quarry during the lease period, as against the permission granted by the 1st respondent and consequently, direct the 2nd respondent to issue transport permit to the petitioner for the said period.

4. Adding further, the learned Counsel submitted that as per the permission granted, the petitioner started quarrying operation in his patta land. Before end of the lease period, the 1st respondent had temporarily stopped all the quarry operations on the ground that the quarry is situated within 10 kilometers to Kanyakumari Wildlife Sanctuary, and therefore, 'No Objection Certificate' from the National Wildlife Board is mandated. Thereafter, the Government of India, Ministry of Environment, Forest and Climate Change, vide Notification SC.3236, dated 22.09.2020, revised the stipulated zone of ECO-Sensitive area as 'Zero to Three Kilometers'. Pursuant to that, the respondents lifted the temporary suspension of the petitioner's quarry operation and permitted to continue the quarry operation.

5. It was further contended by the learned Counsel for the petitioner that temporary suspension was lifted after a period 16 months 25 days. The suspension order was passed by the 1st respondent, suspending the mining operation of the petitioner only on the ground that clearance from the Standing Committee of the National Board of Wild Life was not obtained by the petitioner. Subsequently, the 1st respondent revoked the earlier order of suspension on the ground that as per the Government of India in Ministry of Environment, Forest and Climate Change Notification SC.3236, dated 22.09.2020, the stipulated zone of ECO-Sensitive area had been revised as Zero to 3 kms. The petitioner was allowed to continue his quarry operation. Therefore, the learned Counsels prays that the 1st respondent may be directed to permit the petitioner to conduct stone quarrying operation in his Patta land, for non-operative period, for which, the petitioner was not permitted to quarry during the lease period, as per the permission granted and consequently, direct the 2nd respondent to issue transport permit to the petitioner for the said period.

6. The learned Standing Counsel appearing for the respondents would submit that it is true that the 2nd respondent, the Assistant Director, Department of Geology and Mining, Kanyakumari District by Notice, stopped the quarry operations, on the ground that the quarry is situated within 10 kilometers to Kanyakumari Wildlife Sanctuary and later, the Government of India, Ministry of Environment, Forest and Climate Change, vide Notification SC.3236,

dated 22.09.2020, revised the stipulated zone of ECO-Sensitive area as 'Zero to Three Kilometers". Thereafter, the petitioner was permitted to continue the quarry operation. It is his specific contention that though the 2nd respondent stopped the quarrying operation for sometime, the Standing Counsel wants to verify whether in the interregnum period, the petitioner was permitted to carry-out stone quarrying operation in his patta land by the State Government.

7. I have heard the learned counsels appearing on either side and perused the materials available on record.

8. After giving due consideration to the submissions made by the learned counsels appearing on either side, when the respondents have got power to grant permission to the petitioner to conduct stone quarrying operation over his land, for the non-operative period, on account of suspension of the mining lease granted in favour of the petitioner for no fault on them, rejecting the request made by him to conduct stone quarrying operation in his land for the non-operative period, is not justifiable and therefore, this Court is of the considered view that the respondents ought to have considered the reasonable request of the petitioner, permitting him to conduct stone quarrying operation, on account of suspension of the mining lease granted in favour of them.

9. In fine, the Writ Petition is allowed and the 1st respondent is directed to permit the petitioner to conduct stone quarrying operation in his Patta land, for non-operative period, for which, the petitioner was not permitted to quarry during the lease period, as per the permission granted. Further, the 2nd respondent is directed to issue transport permit to the petitioner for the said period. No costs.
