The petitioner seeks to be provided with adequate police protection. He apprehends threat to his life and limb at the hands of the third respondent.

2.When the matter was taken up for disposal, a police official attached to the second respondent submitted that from the premises of the third respondent, there was a recovery of a huge quantity of Ganja. It appears that the third respondent is suspecting that the petitioner has given tip off to the police. Be that as it may, it is only the first respondent who has to take a call in the matter.
