This petition is filed seeking a direction to the respondents not to harass the petitioner's husband under the guise of enquiry by filing false case upon him.

2. The case of the petitioner is that her husband is doing finance business in the name of Amman Finance by obtaining licence from the authority and doing the business at Madukkur. During the course of business transaction, he lent money on nominal interest rate as fixed by the Government from 2014. Because of political as well as business rivalry, some of the persons foisted a false complaint against her husband and thereafter, on a single day, i.e. on 18.06.2021, three false complaints were registered in Crime Nos.546/2021, 547/2021 and 560 /2021 and based upon the false complaints, he was arrested and remanded to judicial custody and steps are taken by the official respondents to detain him under Goondas Act also. Hence, this petition.

3. The learned counsel appearing for the petitioner submits that based on the false complaints, the respondent Police is repeatedly harassing the petitioner's husband.

4. The learned Additional Public Prosecutor submits that several persons have given complaints against the petitioner's

husband and only on that basis, three cases have been registered against him in Crime Nos.546/2021, 547/2021 and 560 /2021 and therefore, he has been arrested and remanded in judicial custody.

5. Once a case has been registered against a person, that person has to face the investigation. In this case, three cases have been registered against the petitioner's husband. Therefore, the question of harassment does not arise. The petitioner's husband has to work out his remedy before the appropriate forum by filing appropriate petition.

6. Accordingly, this Criminal Original Petition is dismissed.
