3.It is not clear as to why the respondents are not considering the representations and organising a Weekly Market in the said Village. There appears to be no legal impediment in doing so and if the Weekly Market is conducted, it will benefit the public, both the traders and the consumers. Infact the Block Development Officer by communication, dated 21.10.2020, has directed the fifth respondent to identify a suitable Government land, where the Weekly Market can be conducted. However, the fifth respondent has not taken any action. Subsequently, the petitioner has also given representations and also indicated the land, which will be suitable where the Weekly Market can be conducted.

4.In the light of the above, we direct the respondents 3 and 4 to take appropriate action on the representation and issue necessary directions to the fifth respondent to conduct the Weekly Market in the said village in a suitable place as expeditiously as possible, preferably within a period of three weeks from the date of receipt of a copy of this order, if there is no other legal impediment.

5.With the above directions, the writ petition is disposed of. No costs.
