ORDER

Mr.R.Rajamohan, learned Standing Counsel takes notice for the respondents.

2.The petitioner's retirement benefits were settled belatedly and in view of such belated settlement, the present Writ Petition has been filed seeking for interest on the belated payment of the terminal benefits.

3.It is brought to the notice of this Court that in identical cases, a batch of Writ Petitions were entertained by this Court and directions have been issued to the respondents to pay the interest, at the rate of 6% on the belated payment of the terminal benefits. This Court does not intend to deviate from such orders passed in similar cases.

4.The learned Standing Counsel appearing for the respondents would submit that in view of the financial burden cast on the respondents corporation, they may be permitted to pay the interest on the belated payment in a liberal monthly installments.

5.I am not in agreement with the said representation made.

There was already a duty cast on the respondents corporation to pay the terminal benefits on the date of retirement itself and the very fact that the belated disbursement of retirement benefit, would already put the retired employee to serious prejudice. Entertaining the said request for disbursement of the interest on the belated payment in installments, could cause further prejudice to the retired employees.

6.In the light of the above observations, there shall be a direction to the respondents to pay the penal interest at the rate of 6% per annum on the belated payment of the retirement benefits for the period from the date of the retirement till the date of actual disbursement, as expeditiously as possible and in any event, within a period of four months from the date of receipt of a copy of this order.

7.With the above directions, this Writ Petition is disposed of. No costs.
