RAYER: Writ Petition is filed under Article 226 of the Constitution of India, praying for the issuance of a Writ of Mandamus, directing the respondents to pay the petitioner interest at the rate of 18% per annum, for the period of delay from 01.05.2017 in paying the amounts paid in parts on different dates towards his terminal and pension benefits namely EPF Employee's Contribution, Gratuity, Encashment of Earned/Sick leaves, Social Security Scheme benefit and Commutated Value of Pension, within a time frame as may be fixed by this Court and without affecting his right to claim balance amounts towards those benefits.

ORDER

Mr.R.Rajamohan, learned Standing Counsel takes notice for the first respondent and Mr.A.Swaminathan, learned Standing Counsel takes notice for the second respondent.

2. By consent, the Writ Petition is taken up for final disposal at the admission stage itself.

3.The petitioner's retirement benefits were settled belatedly and in view of such belated settlement, this writ petition has been filed seeking for interest on the belated payment of the terminal benefits.

4. It is brought to the notice of this Court that in an identical case of batch of writ petitions entertained by this Court, directions have been issued to the respondents to pay the interest at the rate of 6% on the belated payment of the terminal benefits. This Court does not intend to deviate from the said procedure.

5.The learned Standing Counsel appearing for the respondents would submit that in view of the financial burden cast on the respondents corporation, they may be permitted to pay the interest on the belated payment in a liberal monthly installments.

6. I am not in agreement with the said representation made. There was already a duty cast on the respondent corporation to pay the terminal benefits on the date of retirement itself and the very fact that the belated disbursement of retirement benefit, would already put the retired employee to serious prejudice. Entertaining the said request for disbursement of the interest on the belated payment in installments, could cause further prejudice to the retired employees.

7. In the light of the above observations, there shall be a direction to the respondents to pay the penal interest at the rate of 6% per annum on the belated payment of the retirement benefits for the period from the date of the retirement till the date of actual disbursement, as expeditiously as possible and in any event, within a period of four months from the date of receipt of a copy of this order.

8.With the above directions, this Writ Petition is disposed of. No costs.
