ORDER

This petition has been filed to quash the impugned First Information Report registered in Crime No.1493 of 2020, on the file of the first respondent

2.The complaint against this petitioner is that on 31.07.2020, the accused person was found roaming near MNM Mahal, Sholavandhan in his two wheeler bearing Reg.No.TN 59 BT 8377, violating the order passed by the Government under Section 144 of Cr.P.C. On the basis of the complaint given by the second respondent, a case in Crime No.1493 of 2020, for the offences punishable under Sections 188, 269 and 270 IPC r/w Section 134 of Tamil Nadu Public Health Act, 1939 has been registered.

3.Seeking quashment of the First Information Report, this petition came to be filed mainly on the ground that the offence under Section 188 IPC is non-cognizable offence, for which, the first respondent police has no right to file First Information Report and investigate the matter. In respect of other offences, none of the allegations mentioned in the First Information Report attract any of the ingredients of the offence against the petitioner.

5.It is found that this petitioner was found roaming nearby MNM Mahal, Sholavandhan in his two wheeler when COVID-19 protocol was in force. The petitioner did not give any reason or explanation for coming out of the house, defying the order passed by the Government under Section 144 of Cr.P.C. No doubt, defying the Government order and roaming in and around public place during the pandemic situation is mistake on the part of the petitioner. But, however, it is seen that it was only casual outing without any intention of spreading disease. It is also not the case of the prosecution that the petitioner was affected with Covid-19 at the time of alleged occurrence. Absence of any such material to show that the petitioner was affected by Covid 19 at the time of alleged occurrence, offence under Section 269 and 270 IPC are also not attracted. As I mentioned earlier, it was the casual outing made by the petitioner without minding the consequences. Instead of filing First Information Report, the second respondent ought to have warned the petitioner to go home and remain in home. Without giving such warning, it appears that the case has been registered.

6.The learned counsel for the petitioner would submit that now the petitioner has a proposal to go abroad seeking job. It appears that he applied for Passport or visa as the case may be. Because of the pendency of the criminal case, he is not in a position to move abroad. The non-intentional outing of the petitioner should not be taken seriously. It is also to be noted that the Government has also proposed to drop all such cases, which have been registered against the public during pandemic period.

7.Taking totality of the circumstance, the First Information Report in Crime No.1493 of 2020, on the file of the first respondent police is required to be quashed and accordingly, the same is quashed and the Criminal Original Petition is allowed. Consequently, the connected miscellaneous petition is closed.
