ORDER

This petitioner has approached this Court seeking for the issue of a Writ of Mandamus, forbearing the respondents from disturbing her in carrying on with her vending business at North Car Street.

2.The Commissioner of Tirunelveli Corporation has filed a counter affidavit in this case. A specific stand has been taken to the effect that the petitioner is not possessing any Identity Card or a Vending Certificate and she has merely given a representation and filed the writ petition based on the said representation.

3.The learned Standing Counsel appearing on behalf of the respondent Corporation submitted that the alternate accommodation will be considered only for those persons, to whom the Identity cards have been issued by the Corporation. It is submitted that persons who have not been identified by the respondent Corporation will not have any right to carry on with the vending business and they do not have the right to be given an alternate accommodation.

4.Per contra, the learned counsel appearing for the petitioner submitted that on an earlier occasion, the respondent Corporation had informed before this Court that totally 559 vendors have been identified, out of which Identity cards have been issued to only 195 members and the remaining members will be identified and Identity cards will be given to them. Having taken such a stand, the respondent Corporation without issuing the Identity card, cannot deprive the petitioner of her livelihood.

5.In the considered view of this Court, the alternate place that has been identified will get ready only in the year 2022. Till then, the respondent Corporation will be able to accommodate only those persons, who have been identified and Identity cards have been issued. Those persons alone can be allowed to carry on with the vending business till the alternate place is made ready.

6.In the case of the petitioner, she do not possess any identity card. The learned counsel for the petitioner has taken a very specific stand that the petitioner has also submitted the application for identity card. The respondent Corporation is directed to process the applications received and identify the street vendors who will be entitled for the identity card in accordance with Rule 7 and 8 of the Street Vendors (Protection of Livelihood and Regulation of Street Vending) Act, 2014 and permit them alone to continue with the street vending business till the alternate place is made ready. None of the others who is not found to be eligible and not granted the identity card shall be allowed to do the vending business. This process shall be completed by the respondent Corporation, within a period of four weeks from the date of receipt of a copy of this order.

7.This writ petition is disposed of accordingly. No costs. Consequently, connected miscellaneous petitions are closed.
