Prayer: Writ Petition filed under Article 226 of Constitution of India, to issue a Writ of Mandamus, directing the respondent to return the driving licence of the petitioner bearing DL No.TN 58 19970003907 forthwith.

For Petitioner	: Mr.S.Arunachalam
For Respondent	: Mr.D.Ghandiraj Government Advocate

ORDER

The prayer sought for herein is for a Writ of Mandamus, directing the respondent to return the driving licence of the petitioner bearing DL No.TN 58 19970003907 forthwith.

2.The case of the petitioner is that, the petitioner is working as a driver at Tamil Nadu State Transport Corporation (Madurai) Limited. As such, while he was on duty and driving the bus with registration No. TN 57 N 1360 in the route between Thirumangalam and Vagaikulam, on 25.08.2021, at about 12.25 PM at Amman Nagar bus stop, when the vehicle was moving from the said bus stop, it met with an accident with a two wheeler, result of which, the person who rode the two wheeler died. Therefore, it became a fatal accident. Pursuant to which, a case has been registered by the Sindupatty Police Station in Cr.No.207 of 2021 dated 25.08.2021 and a case has been registered for the alleged offence punishable under Sections 279, 304(A) IPC and the investigation is pending.

3.Pursuant to the said incident and the case, concerned police, after seizing the driving licence of the petitioner handed over the same to the respondent, that is Regional Transport Officer,

4. After the licence was seized and handed over to the respondent, the respondent has kept the driving licence without showing any progress and no enquiry has been conducted and the driving licence of the petitioner has also not been returned back to him. Therefore, in order to get back the driving licence of the petitioner, the petitioner has given a representation to the respondent on 02.09.2021 and the same since has not been considered by the respondent, he has approached this Court by filing the present writ petition.

5. Heard Mr.D.Ghandiraj, learned Government Advocate appearing for the respondent, who would submit that, as per the procedure established under Section 19 of the Motor Vehicles Act, 1988, an enquiry has to be conducted by the respondent, for which, a show cause notice would be issued shortly and after receipt of reply from the petitioner, the enquiry would be completed at the earliest possible time and depending upon the outcome of the enquiry, the decision as to whether the licence can be returned back or cancelled or suspended would be taken.

6. I have considered the said submissions made by the learned Government Advocate appearing for the respondent.

7. This Court has considered a number of cases of this nature almost everyday and in one such case in W.P.(MD)No.13365 of 2021 dated 04.08.2021 in the matter of **R.Karuppanan vs. The Regional Transport Officer, the Regional Transport Office, Dindigul**, in a similar situation, I have passed a detailed order which reads thus:

"8. In respect of these kind of controversy, a number of orders had been passed by this Court where the law had been held that, without having resorted to a limited enquiry to be conducted in this regard and to come to a conclusion that the licence holder has committed any offence or violated any provisions of the Act as well as the rules made thereunder, the licence cannot be retained or revoked or the holder of the licence cannot be disqualified.

9. In this context, Section 19 of the Motor Vehicles Act reads thus:

"19. Power of licensing authority to disqualify from holding a driving licence or revoke such licence . - (1) If a licensing authority is satisfied, after giving the holder of a driving licence an opportunity of being heard, that he -

(a) is a habitual criminal or a habitual drunkard ; or

(b) is a habitual addict to any narcotic drug or psychotropic substance within the meaning of the Narcotic Drugs and Psychotropic Substances

Act, 1985 ; or

(c) is using or has used a motor vehicle in the commission of a cognizable offence ; or

(d) has by his previous conduct as driver of a motor vehicle shown that his driving is likely to be attended with danger to the public ; or

(e) has obtained any driving licence or a licence to drive a particular class or description of motor vehicle by fraud or misrepresentation ; or

(f) has committed any such act which is likely to cause nuisance or danger to the public, as may be prescribed by the Central Government, having regard to the objects of this Act; or

(g) has failed to submit to, or has not passed, the tests referred to in the proviso to sub-section (3) of section 22 ; or

(h) being a person under the age of eighteen years who has been granted a learner's licence or a driving licence with the consent in writing of the person having the care of the holder of the licence and has ceased to be in such care, it may, for reasons to be recorded in writing, make an Order -

(i) disqualifying that person for a specified period for holding or obtaining any driving licence to drive all or any classes or descriptions of vehicles specified in the licence ; or

(ii) revoke any such licence.

(2) Where an Order under sub-section (1) is made, the holder of a driving licence shall forthwith surrender his driving licence to the licensing authority making the Order, if the driving licence has not already been surrendered, and the licensing authority shall, -

(a) if the driving licence is a driving licence issued under this Act, keep it until the disqualification has expired or has been removed ; or

(b) if it is not a driving licence issued under this Act, endorse the disqualification upon it and send it to the licensing authority by which it was issued ; or

(c) in the case of revocation of any licence, endorse the revocation upon it and if it is not the authority which issued the same, intimate the fact of revocation to the authority which issued that licence:

Provided that where the driving licence of a person authorises him to drive more than one class or description of motor vehicles and the Order, made under subsection (1), disqualifies him from driving any specified class or description of motor vehicles, the licensing authority shall endorse the disqualification upon the driving licence and return the same to the holder.

(3) Any person aggrieved by an Order made by a licensing authority under sub-section (1) may, within thirty days of the receipt of the Order, appeal to the prescribed authority, and such appellate authority shall give notice to the licensing authority and hear either party if so required by that party and may pass such Order as it thinks fit and an Order passed by any such appellate authority shall be final."

10.If we look at the provisions of Section 19 of the Act, it makes it clear that, if it is satisfied after giving the holder of the licence, an opportunity of being heard, if he has committed any offence or has made any violation, the licensing authority, for the reasons to be recorded in writing, can make an Order disqualifying the person for a specified period for holding or obtaining any driving licence to drive any class or description of vehicle specified in the licence or revoke any such licence.

11.That apart, Sub-Section 1 (A) of Section 19 was recently inserted by Motor Vehicles Amendment Act, 2019 (Act 32 of 2019), which came into effect from 19.08.2019 under which, if a licence has been forwarded to the licensing authority under Sub-Section 4 of Section 206, the licensing authority if satisfied after giving holder of the driving licence, an opportunity of being heard may either discharge the holder of the driving licence or it may have detailed reasons recorded in writing make an Order disqualifying such persons from holding or obtaining any licence all or any of the class or description of vehicle. For the first offence, such punishment shall be for a period of three months and for

second and subsequent offence, the revocation shall be the penalty.

12. These are all the procedures contemplated under Section 19 of the Motor Vehicles Act.

13. Since the statutory duty cast upon the licensing authority that is the respondent herein, he has initiated such proceedings by issuing show cause notice on 19.07.2021 seeking show cause from the petitioner which had been properly responded by the petitioner by giving reply dated 20.07.2021. Now, the ball is in the Court of the respondent so as to immediately conduct an enquiry, of course a limited enquiry, to verify as to whether the petitioner had violated any provisions of the Act as well as the rules made thereunder or any other punishable offences have been committed by him.

14. In this context, it is to be reminded that, merely because a fatal accident had been reported where the vehicle driven by the petitioner is involved, it cannot be presumed that the petitioner has committed a punishable offence as that has to be decided only by the competent Court, where a case would be conducted by the concerned police. However, at this juncture, a limited enquiry can be undertaken by the respondent only to verify whether any provisions of the Act as well as the rules made thereunder had been violated by the petitioner. Only for the said purpose, enquiry as contemplated under Section 19 of the Act can go on and after completing such enquiry, if the respondent comes to a conclusion that none of the provisions of the Act as well as the rules has been violated, it is open to the respondent to release the licence to the petitioner. Therefore, after adopting this procedure as has been contemplated under Section 19 of the Act, needful can be done and the final Order in this regard shall be passed by the respondent within a timeframe to be fixed by this Court.

15. In that view of the matter, this Writ Petition is disposed of with the following Order:-

"that there shall be a direction to the respondent to consider the reply given by the petitioner dated 20.07.2021, pursuant to the show cause notice dated 19.07.2021 issued by the respondent and in this regard, after giving a notice conduct a personal enquiry and thereafter

final Order shall be passed by taking into account the aforesaid observations made in this Order and such final Order shall be passed within a period of thirty days from the date of receipt of a copy of this Order."

16.It is needless to mention that, depending upon the outcome of the final Order to be passed, as indicated above, by the respondent, the petitioner shall work out his remedy accordingly. It is also needless to mention that once notice is issued, the petitioner shall cooperate and appear before the respondent for completing the enquiry as indicated above.

17.With these directions, this Writ Petition is disposed of. No costs."

8.The present case also is squarely covered by the said decision, where the petitioner's case also can be decided by the respondent/Regional Transport Officer by conducting an enquiry in the manner as provided under Section 19 of the Motor Vehicles Act. Therefore, similar order to that effect can very well be passed in this writ petition also.

9.Accordingly, this Writ Petition is disposed with the following Order:

"that there shall be a direction to the respondent to issue a show cause notice under Section 19 of the Motor Vehicles Act to the petitioner, within a period of one (1) week from the date of receipt of a copy of this order and on receipt of such show cause notice, a reply shall be given by the petitioner, within one (1) week thereafter. After receipt of the reply from the petitioner, by giving an opportunity of being heard, the respondent shall complete the enquiry and pass final orders with regard to the decision to be taken as to whether driving licence of the petitioner has to be returned back or not, within a period of four (4) weeks, thereafter."

10.With these directions, this Writ Petition is disposed of. There shall be no order as to costs.
