O R D E R

This petition has been filed to direct the second respondent not to harass the petitioner to admit the offence of F.I.R.No.523 of 2021 dated 10.09.2021 under Sections 279, 304(a) of IPC on the file of the Kayathar Police Station, Thoothukudi District.

2.The case of the petitioner is that even though a case has been registered against the petitioner, the offence under Section 304(a) IPC is attracted only against the third respondent. However, the second respondent is pressurizing the petitioner to admit the offence under Section 304(a) of IPC.

3.This Court could not understand the grievance expressed by the petitioner. Since the case is under investigation, question of admitting the offence does not arise at this stage.

4.However, the learned Government Advocate would submit that the petitioner has not produced the driving license. So, the vehicle involved in the accident could not be produced before the Motor Accidents Claims Tribunal for inspection. He would further submit that there is no question of harassment on the part of the second

respondent.

5. But the learned counsel appearing for the petitioner would submit that the driving license of the petitioner also produced before the second respondent, after taking the photocopy, the original license was returned to him.

6. In view of the above submission made by the learned Government Advocate, there is no question of harassment on the part of the second respondent. Hence, this Criminal Original Petition stands dismissed.
