COMMON JUDGMENT

(Judgment of the Court was delivered by T. S. SIVAGNANAM, J.)

Heard the learned counsel on either side.

2.These Writ Petitions have been filed questioning the demand of property tax.

3.An identical issue was considered by us in W.P.(MD) No.1026 of 2018 dated 06.07.2021 in the case of **Sri.Lalitha Vidyashram Matric School vs. The Commissioner,Tirunelveli Municipal Corporation, Tirunelveli** and we dismissed the appeal filed by the School. The said judgment reads as follows:-

"Heard Mr.Ragatheesh Kumar, learned counsel for the appellant and Mr.Aayiram K.Selvakumar, learned Standing Counsel for respondent Corporation.

2.This Writ Appeal by the Writ Petitioner is directed against the order and direction issued in W.P.(MD) No.15784 of 2016, which was disposed by a common order dated 21.11.2017, along with batch of cases.

3.We need not labour much to decide the issue on hand as the larger relief sought for by the other institution for issuance of a declaration in W.P.(MD) No.362 of 2019, to declare the Tamil Nadu Municipal Laws (Second Amendment) Act, 2018 as *ultra vires* and null and void, was rejected by the Hon'ble First Bench of this Court in **the Correspondent, St.Joachim's Matriculation School v. The State of Tamil Nadu, represented by its Secretary, Department of Municipal Administration and Water Supply and three others**, wherein also the Tirunelveli Corporation was the second respondent, and the Writ petition was partly allowed in terms of the judgment of the Division Bench, dated 13.09.2019. So far as retrospective application of the increase in property tax is concerned, demanding of property tax retrospectively from 01.10.2017 alone was set

aside. That apart, the validity of the amended provision has been upheld in the case of **Monfort Academy Matriculation Higher Secondary School v. The Secretary, Department of Municipal Administration and Water Supply Department, Chennai and others in W.P.No.18008 of 2018 etc., dated 13.09.2019**. Therefore, the amended act having been upheld, the relief sought for by the petitioner to quash the recovery of property tax cannot be sustained in terms of the amended statute.

4. So far as the claim for grant of exemption is concerned, it goes without saying that no individual has vested right to seek for exemption and if there was a claim that they will fall within the relevant provisions of the Act, whereby they are entitled to grant of exemption, it is for them to independently seek for appropriate direction. In fact, the learned Single Bench has granted such liberty to seek exemption. However, the provisions of the amended act having been upheld, it may be a difficult task for the appellant to claim exemption. Moreover, they are fee levying institution and not engaged in charitable purposes. Thus, we are of the view that the impugned order would not call for any interference.

5. Accordingly, the Writ Appeal is dismissed in view of the order aforesaid. No costs. Consequently, connected Miscellaneous Petition is closed. "

4. In the light of the above order, these Writ Appeals stand dismissed with similar observations made in W.A.(MD).No.1026 of 2018. No costs. Consequently, connected miscellaneous petitions are closed.
