O R D E R

The petitioner, while serving as an Accountant at Sub-Treasury Office of Kodaikanal, was placed under suspension by the third respondent herein, through an order dated 17.10.2017, which is impugned in the present writ petition. The petitioner's representation dated 25.01.2018 seeking for revocation of his suspension was not considered by the third respondent and hence the present writ petition.

2.The guidelines governing a Government employee to be kept under prolonged suspension, has been dealt with the Hon'ble Supreme
<https://hcservices.ecourts.gov.in/hcservices/>

Court in **Ajay Kumar Choudhary v. Union of India**, (2015) 7 SCC 291 at page 303, in the following manner:-

"21.We, therefore, direct that the currency of a suspension order should not extend beyond three months if within this period the memorandum of charges/charge-sheet is not served on the delinquent officer/employee; if the memorandum of charges/charge-sheet is served, a reasoned order must be passed for the extension of the suspension. As in the case in hand, the Government is free to transfer the person concerned to any department in any of its offices within or outside the State so as to sever any local or personal contact that he may have and which he may misuse for obstructing the investigation against him. The Government may also prohibit him from contacting any person, or handling records and documents till the stage of his having to prepare his defence. We think this will adequately safeguard the universally recognised principle of human dignity and the right to a speedy trial and shall also preserve the interest of the Government in the prosecution. We recognise that the previous Constitution Benches have been reluctant to quash proceedings on the grounds of delay, and to set time-limits to their duration. However, the imposition of a limit on the period of suspension has not been discussed in prior case law, and would not be contrary to the interests of justice. Furthermore, the direction of the Central Vigilance Commission that pending a criminal investigation, departmental proceedings are to be held in abeyance stands superseded in view of the stand adopted by us."

3.The petitioner is aggrieved against his prolonged suspension of three years. Apparently, the suspension cannot unjustifiably prolonged, except in accordance with the mandated guidelines as held in the **Ajay Kumar Choudhary's case (supra)**. In this background, it would be appropriate for the third respondent to consider the petitioner's request, seeking for revocation of his suspension.

4.In the instant case, the learned counsel for the petitioner submitted that neither the suspension has been revoked nor a reasoned order has been passed for extension of suspension. As such, the conduct of the respondents in failing to pass such a reasoned order for extension is against the ratio laid down in **Ajay Kumar Choudhary's case (supra)** and therefore, the suspension order cannot be sustained.

5.Accordingly, this Writ Petition stands allowed and the impugned order passed by the third respondent in R.C.No.10210/P1/2017-3 dated 17.10.2017, is hereby quashed and the third respondent is directed to reinstate the petitioner forthwith.

It is needless to point out that in case, the subsistence allowance has not been paid to the petitioner during the period of suspension, the same shall also be paid to the petitioner at least within a period of four weeks from the date of receipt of a copy of this order. No costs. Consequently, connected miscellaneous petition is closed.
