ORDER

This Court is not inclined to entertain this writ petition for the simple reason that proper remedy for the petitioner is before the civil Court and not before this Court and moreover the survey number, which is mentioned in this writ petition, is different from the survey number, which is the subject matter of the civil Court decree.

2.In that view of the matter, this Court cannot settle the

factual controversy surrounding the claim of the petitioner and therefore, this Writ Petition stands dismissed. It is open to the petitioner to approach the competent civil Court to workout her remedy in the manner known to law. No costs. Consequently, connected miscellaneous petition is closed.
