Prayer: Writ Petitions are filed under Article 226 of the Constitution of India, for the issuance of a writ of mandamus, directing the fourth respondent to re-fix the pension of the petitioners by granting the benefit of Tamil Nadu Electricity Board Revised Scales of Pay (Workmen) Regulations, 2009 and provide all the consequential benefits to the petitioners within the time period stipulated by this Court.

An interesting issue arises in this case, where a mandamus is sought by individuals, who had retired from the services of the Tamil Nadu Generation and Distribution Corporation Ltd. (TANGEDCO) on 30.11.2007. There was a wage revision that was brought in by the respondent on 11.01.2014, whereunder the existing cadre of employees were granted the benefit of a pay revision with effect from 01.12.2011 to be in force for a period of four years.

2. Inspired by this wage revision, the petitioners have come forth with this writ petition contending that the pensionary benefits granted upon their superannuation call for an enhancement based on the wage revision that they would have been entitled to, had they be in employment on 01.12.2011, the very next date to his date of retirement.

3. I have heard learned counsel in some detail. Certain legal issues arises in this matter that call for interpretation of the following cases cited at the bar.

a) The petitioners rely on:

i) *Subrata Sen and Others vs. Union of India and Others* [(2001) 8 SCC 71] and

ii) *K.L. Ramamoorthy vs Secretary to Government* [W.P.No.49577 of 2006]

b) The respondents relies on:

i) *Mineral Exploration Corporation Ltd. Vs Arvind Kumar Dixit* [(2015) 2 SCC 535] and

ii) *Himachal Road Transport Corporation and another vs. Himachal Road Transport Corporation Retired Employees Union* [(2021) 4 SCC 502]

4. The petitioners have also filed representations on various dates ie., on 06.07.2018 and 07.07.2017 before the Superintending Engineer, TANGEDCO/R4, admittedly pending till date. Thus, the legal issues arising from the request of the petitioners are best left to the authorities to take a considered view, without being influenced by the defence amounted by them in counter and bearing in law the cases noticed above as well as any other that may be relevant and cited by the petitioners in the course of the hearing that will take place prior to the disposal of the representations.

5. Let the exercise, as aforesaid be completed within a period of twelve weeks from today. Writ Petitions are disposed as above. No costs.
