In this writ petition, the petitioner has assailed appointment of respondent No.6 as Professor in Community Medicine in the college run by respondent No.5 on the ground that such employment was secured by respondent No.6 was by producing certain bogus and forged certificates.

Counsel for the petitioner contends that on 28.10.2020, a committee had gone into the issue and had recorded a *prima facie* finding that respondent No.6 had produced a forged experience certificate to secure such appointment. Counsel for the petitioner further contends that petitioner had issued a legal notice on 27.11.2020 to the respondents to take action on the basis of the said report, but no action has been taken by the respondents.

Mr.Ashish Yadav, Addl. A.G., Haryana, appearing for respondents No.1 to 3 and 5, on instructions, states that within a period of two weeks from the date of receipt of copy of this order, the said respondents

would take appropriate action on petitioner's legal notice dt. 27.11.2020 by taking into account communication dt. 28.10.2020, addressed by respondent No.5 to respondent No.2.

In view of the said statement, writ petition is disposed of directing respondents No.1 & 2 to take appropriate decision on petitioner's legal notice dt. 27.11.2020 by taking into account the above communication dt. 28.10.2020 sent by respondent No.5 to respondent No.2 within a period of two weeks from the date of receipt of copy of this order and communicate the same to the petitioner also.
