.... Petitioner

Versus

State of Haryana

.... Respondent

CORAM: HON'BLE MR. JUSTICE H.S. MADAAN

Present: None for the petitioner.

Ms. Shubhra Singh, Addl. A.G., Haryana.

H.S. MADAAN, J (ORAL)

As per report, fresh notice issued to counsel for the petitioner through e-mail has been served, but she has not put in appearance. As noticed in interim order dated 08.04.2021 while filing this petition, it was mentioned in the headnote that this is a first regular bail petition. Then as a matter of fact, it was not so and a petition having been filed earlier was dismissed vide order dated 30.01.2020 passed in CRM-M-3361-2020, observing that an attempt has been made to conceal the factual position by wrongly mentioning the date of FIR so that the first petition is not depicted in the FIR matching report. Notice was ordered to be issued to counsel for the petitioner, who had opted not to appear before the Court despite notices having been issued to her repeatedly, she has not put in appearance. Such attempt on the part of the petitioner through counsel to suppress the facts is enough to disentitle the petitioner to grant of regular bail, even otherwise, the petitioner is an accused in a murder case and facing trial in the Court.

Learned State counsel has informed that trial is at fag end and inasmuch as the prosecution has examined almost all the witnesses and only one witness remains to be examined on the next date of hearing, fixed in the trial Court as 12.10.2021.

Under the circumstances, no case for grant of regular bail to the petitioner is made out.

The present petition stands dismissed, accordingly.

Joint Registrar (Judicial) is directed to examine the matter and then submit his report with regard to the attempt made to mislead this Court by providing wrong information as mentioned above.
