When confronted with the fact that the statements made before the Supreme Court, on the basis of which the Supreme Court has permitted the petitioners to file the review petition before this Court, were false and factually incorrect in respect of taking physical possession, payment of compensation as well as dismissal of the previous Civil Writ Petition No. 19262 of 2005 filed by the petitioners before this Court, learned counsel for the applicant-petitioners prays for and is permitted to withdraw the application seeking review of the judgment dated 12.10.2020 passed by this Court.

On his request, the review application is ordered to be dismissed as withdrawn.
