RAJBIR SEHRAWAT, J. (Oral)

The present petition has been filed by the petitioner under Article 227 of the Constitution of India for issuance of direction to the learned Appellate Court under the Rent Act to decide the appeal dated 22.12.2020 filed by the petitioner against the ejectment order dated 01.10.2019 in time bound manner; because the stay application was not decided due to COVID-19 and the respondent executed warrants of possession.

A bare perusal of the paper book shows that the appeal against the eviction order passed by the Rent Controller is already pending before the appellate authority, which is proceeding with that keeping in view the COVID-19 pandemic situation.

Since the appellate authority is seized of the matter, therefore, this court does not find any reason to interfere at this stage, in any manner whatsoever.

In view of the above, the present petition is dismissed.
