...Petitioner

Versus

State of Punjab

...Respondent

CORAM: HON'BLE MR. JUSTICE HARNARESH SINGH GILL

Present:- Mr. K.S.Brar, Advocate
for the petitioner.

Mr. Avtar Singh Sandhu, Addl. Advocate General, Punjab.

HARNARESH SINGH GILL, J. (ORAL)

Case is taken up for hearing through video conferencing.

Through this petition, the petitioner seeks anticipatory bail in case bearing FIR No.17 dated 09.02.2021 registered under Sections 406, 467, 468, 471 of IPC, at Police Station Sadar, District Bathinda.

Learned counsel for the petitioner states that the petitioner has been falsely implicated in the present FIR. Neither he has been named in the FIR nor any role is attributed to him. He further states that the petitioner has been implicated on the disclosure statement of the co-accused. The petitioner is not working in the RTA office.

Learned State counsel, while opposing the bail petition, on instructions from ASI Sukhwinder Singh, submits that the petitioner along with other co-accused have formed a gang and running a racket for selling the old vehicle by changing the year of manufacturing/model of the vehicle in the registration certificate by hatching conspiracy with official of Registration Authority and selling the same on higher prices. He further

submits that to unearth the racket, the custodial interrogation of the petitioner is required.

I have heard learned counsel for the parties.

As per the prosecution story, the present FIR was registered on a secret information that main accused-Surjit Singh has hatched a conspiracy with his companions, commission agents and the employees of the RTA office and have purchased the school vans/buses of old model from the other states on cheaper rates and, therefore, by changing the model, engine number, chassis number got prepared forged registration certificates showing to be new models and thereafter, selling the same on higher prices. Therefore, the officials of the RTA office as well as other accused, who are non-officials, are into the business of upgrading the models of the school vans/buses which have become reason of accident on the road side and causing fatal and other injuries to the passengers especially the small children.

In view of the above to unearth the racket running the scandal of selling the vehicle on higher prices by upgrading the models, the custodial interrogation of the petitioner is required.

No case is made out to grant anticipatory bail to the petitioner.

Dismissed.
