Versus

State of Punjab

...Respondent

CORAM: HON'BLE MR. JUSTICE HARNARESH SINGH GILL

Present:- Mr. K.S.Brar, Advocate
for the petitioner.

Mr. Avtar Singh Sandhu, Addl. Advocate General, Punjab.

HARNARESH SINGH GILL, J. (ORAL)

Case is taken up for hearing through video conferencing.

Through this petition, the petitioner seeks anticipatory bail in case bearing FIR No.17 dated 09.02.2021 registered under Sections 406, 467, 468, 471 of IPC, at Police Station Sadar, District Bathinda.

Learned counsel for the petitioner states that the petitioner has been falsely involved in the present case. Neither he has been named in the FIR nor any role is attributed to him. Initially, he was working in MVI parking department and thereafter, he was transferred only after co-accused Sanjiv Kumar was transferred to Ferozepur. He has further submitted that Surjit Singh is the person who doing the business of sale and purchase of school buses and vans and he is having contact in RTA office with Sheetal Kumar.

Learned State counsel, while opposing the bail petition, on instructions from ASI Sukhwinder Singh, submits that the petitioner is working as Clerk in RTA office and the documents for the issuance of

registration certificates bear the signatures of the petitioner-Sahil Kumar Bagga as Clerk and co-accused-Bhupinder Singh, A.T.O. Bathinda. The petitioner-Sahil Kumar has also affixed his seal of verification of documents as correct.

I have heard learned counsel for the parties.

As per the prosecution story, the present FIR was registered on a secret information that main accused-Surjit Singh has hatched a conspiracy with his companions, commission agents and the employees of the RTA office and have purchased the school vans/buses of old model from the other states on cheaper rates and, therefore, by changing the model, engine number, chassis number got prepared forged registration certificates showing to be new models and thereafter, selling the same on higher prices. Therefore, the officials of the RTA office as well as other accused, who are non-officials, are into the business of upgrading the models of the school vans/buses which have become reason of accident on the road side and causing fatal and other injuries to the passengers especially the small children.

In view of the above to unearth the racket running the scandal of selling the vehicle on higher prices by upgrading the models, the custodial interrogation of the petitioner is required.

No case is made out to grant anticipatory bail to the petitioner.

Dismissed.
